BİZ

Traktör, römork ve dorse ekipmanları üretiminde, Führer olarak sektörde kalitenin standartlarını belirleyen ve takip edilen olmaktan gurur duyuyoruz. Ar-Ge odaklı yenilikçi üretim anlayışımızla sürekli gelişiyor ve hızlı bir yükseliş grafiği sergiliyoruz. Konya 5. Organize sanayi bölgesindeki 25.000'i kapalı olmak üzere, toplam 38.000 m² alanda enerji dolu dinamik bir ekiple faaliyetimize devam ediyoruz ve traktör orta kol lifti, traktör direksiyon lifti ve özel amaçlı tarım liftleri başta olmak üzere geniş bir ürün yelpazesıyla müşterilerimize hizmet veriyoruz. Ürettiğimiz dayanıklı, uzun ömürlü yüzlerce ürünü, yüksek teknoloji ile donatılmış, seri üretim hattımızda üretiyor ve tüketiciyle buluşturuyoruz. Güncel Cad-Cam yazılımlarıyla tasarlanan ürünlerimiz, en iyi dayanıklılık sonucunu veren hammaddeler tercih edilerek üretime alınır ve CNC tabanlı tezgahlarımızda elmas hassasiyetinde işlenir. Döküm ve plastik enjeksiyon hattında üretilen parçalarla montajlanan ürünlerimiz, dünya standartlarında bir çok testten geçirilerek sevkiyata hazır hale getirilir. Üretim hattımız ve ürünlerimizin kalitesi CE, ISO ve TSE standartlarıyla güvence altına alınmıştır. Führer, inovasyon altyapısına sahip üretim anlayışıyla müşterilerinin ihtiyaçlarına maksimum seviyede cevap verebilecek kabiliyete sahiptir. Ürün Tasarımı konusundaki becerilerimiz, maliyet, üretim süresi, ömür, kolay revizyonlar açısından avantaj sağlamaktadır. Führer olarak, geçmişten gelen tecrübemizi, günümüz teknolojiyle birleştirerek sizlere her gün daha iyiye ulaşmanın gayreti içindeyiz.

US

In the production of tractor, trailer and trailer equipment, as Führer we are proud to be the one who sets and follows the standards of quality in the sector. With our R&D-oriented innovative production approach, we are constantly developing and exhibiting a rapid rise graph. Konya 5. We continue our activities with a dynamic team full of energy on a total area of 38.000 m², 25.000 of which are closed in the organized industrial zone, and we serve our customers with a wide range of products, especially tractor middle arm lift, tractor steering lift and special purpose agricultural lifts. We produce hundreds of durable, long-lasting products in our mass production line equipped with high technology and bring them to the consumer. Our products, which are designed with up-to-date Cad-Cam software, are taken into production by choosing raw materials that give the best durability result and processed with diamond precision in our CNC-based machines. Our products, which are assembled with parts produced in the casting and plastic injection line, are made ready for shipment by passing many tests at world standards. The quality of our production line and products is guaranteed by CE, ISO and TSE standards. The Führer has the ability to respond to the needs of its customers at the maximum level with its production approach with innovation infrastructure. Our skills in Product Design provide advantages in terms of cost, production time, life, easy revisions. As Führer, we are in an effort to reach you better every day by combining our experience from the past with today's technology.
